

AGENDA FINAL CONFERENCE

Developing quality in the new apprenticeship for vocational qualifications in Italy:
the contribution of the FITT model to the new reform on dual training.

BRUSSELS, 16th March 2017

**European Committee
of the Regions**

hosted by

Committee of the Regions, Jacques Delors Rue Belliard, 99, 1040 Brussel- Room JDE51

In the last two and half years, The Veneto Region, Area Culture and Human Capital on behalf of the Italian Ministry of Labor together with Veneto Lavoro - its technical agency for labour, the German Federal Institute for Vocational Education and Training (Bundesinstitut für Berufsbildung - BIBB) and the German Agency for International Cooperation (Deutsche Gesellschaft für Internationale Zusammenarbeit - GIZ) joined forces in the European FITT! project (2015-2017).

Funded by the European Commission under the Erasmus + programme (Key action 3 - Support to policies), the objectives of the FITT! Project encompasses the development and experimentation of procedures leading to a reference model for the development of high-quality company-based VET models at regional and national level in Italy.

We share and discuss the results of the project during the final conference of the project. During the morning session the partners will present the main achievements of the project highlighting the transnational cooperation, processes, the outputs and the impact of the project on the different target groups and stakeholders. The afternoon sessions aim at discussing other experiences, in order to pave the way for the project's further developments.
