

Co-funded by  
the European Union

## The implementation of the « Kumppanuusglögit » best practice

France Travail Auvergne-Rhône-Alpes

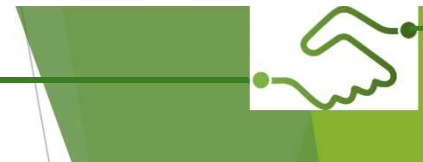

# Context & selection of the best practice

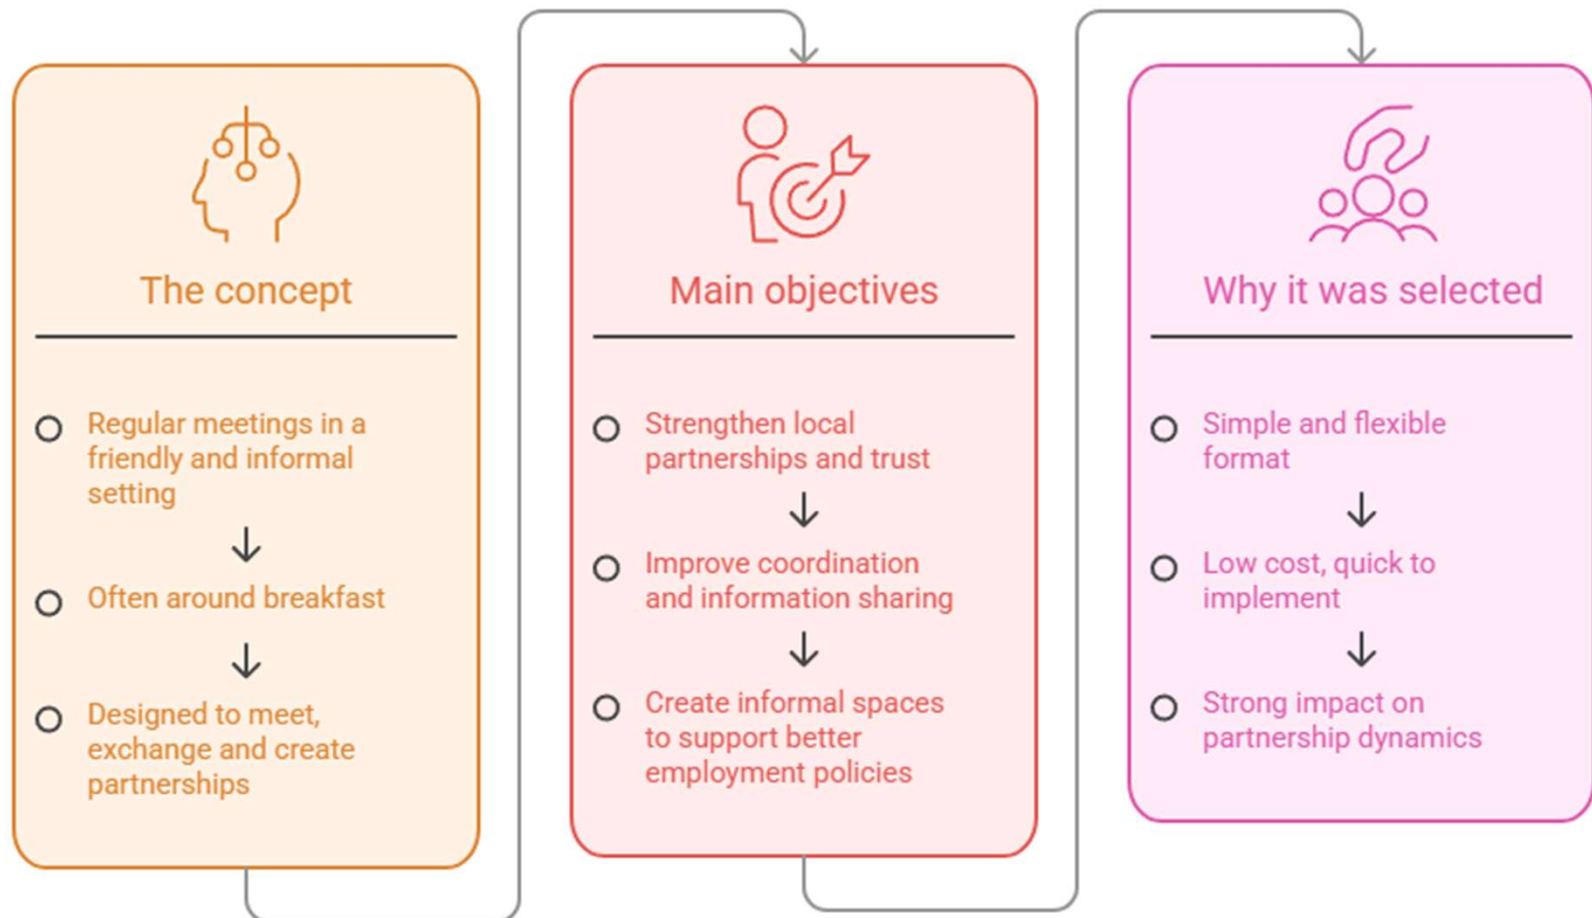

From European inspiration  
to local action

1	<b>Identify Best Practices</b> NET PES project identifies 32 best practices
2	<b>Share Best Practices</b> Best practices are shared online and through study visits
3	<b>Select Local Practice</b> Each partner selects one practice to test locally
4	<b>Choose Kumppanuusglögit</b> France Travail Auvergne-Rhône-Alpes selects Kumppanuusglögit

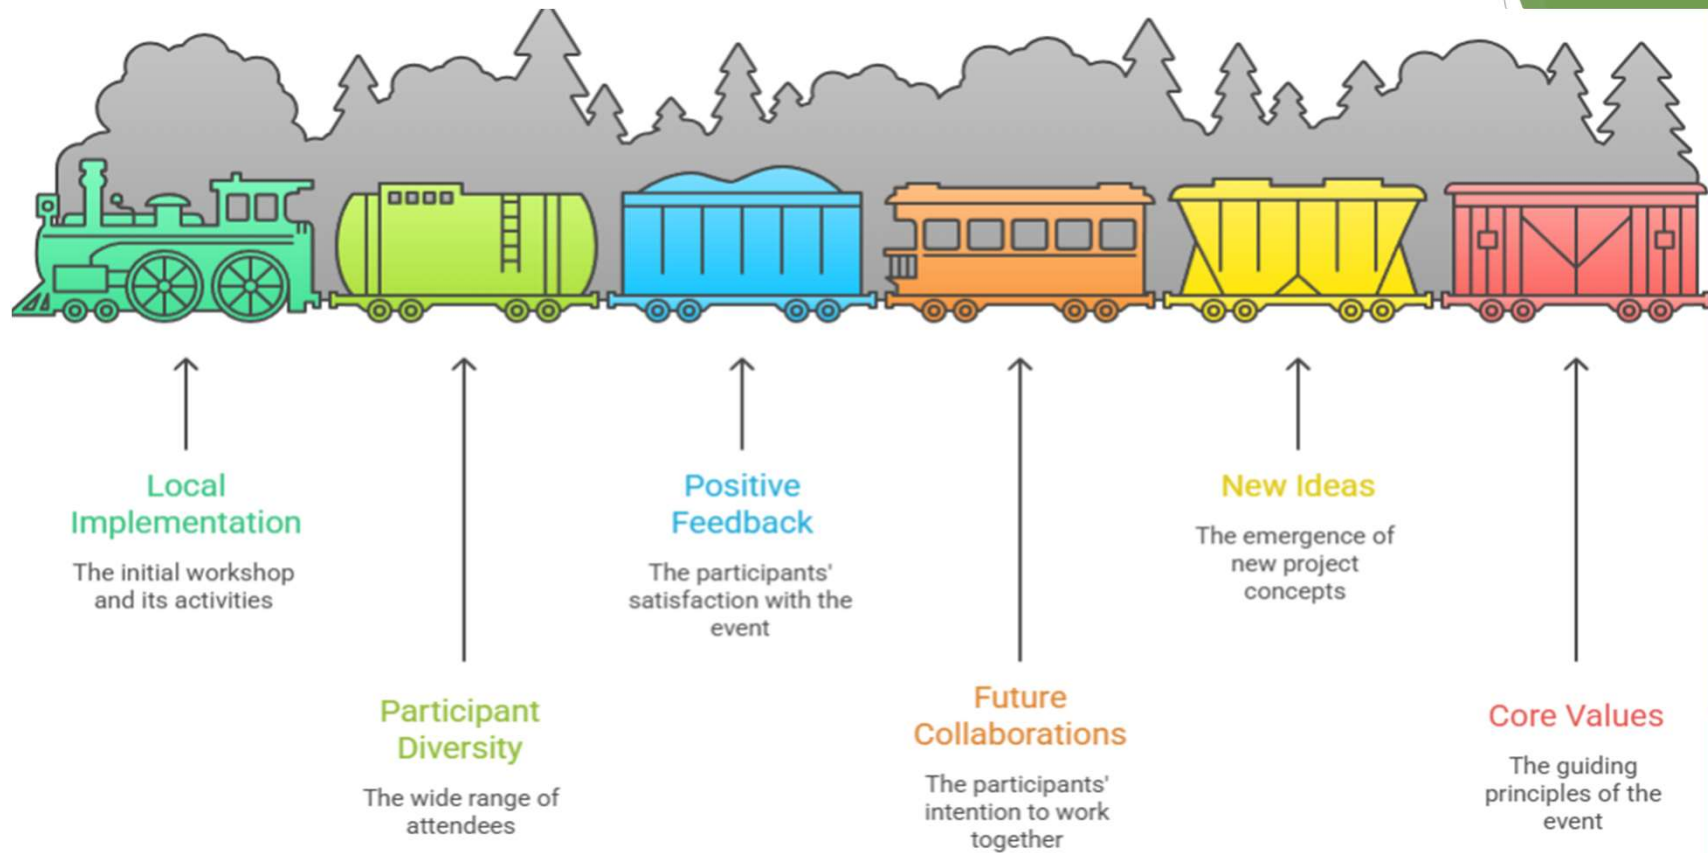

# Kumppanuusglögit .... What is it ?

A simple format to create connections

# Implementation, results, lessons learned...

.....Sometimes, to create big projects... you just need to start with a coffee or mulled wine or homemade cookies....

# Thank you for your attention !
